(Through the President)

Sir,

Sub Entertainment of additional Staff for Malaria Section

At present the work relating to prevention of Malaria is being attended to by two junior Inspectors one in charge of eastern zone and another in charge of western zone, the dividing line being Sayyaji Rao Road There are 18 field men working under these two junior inspectors

For the last one year, the musquito nuisance in the city increased beyond normal comprehension and more than one resolutions was tabled for the Council meeting by the members to abate the nuisance On this the Superintendent of Malariology was requested to ~~co-operate~~ examine the question and ~~the~~ he submitted a report after a visit on 22-4-55

He was of opinion that the present staff has to be stepped up by at least 6 fieldmen besides one additional junior Health Inspector on 45-3-90 plus C A Rs 5 plus D A 2 maistries on 25-1-40 plus D A as the existing staff is very inadequate for a satisfactory working of the same effectively combating the Musquitto nuisance He also suggested augmentation of certain equipments

A proposal was therefore placed before the Council for the augmentation of the present staff as stated above for theBudget Council meeting held on 27-3-56 for sanction together with the provision required for equipments The same was duly approved

P T O

886

I enclose a copy of the resolution and request that orders of Government may kindly be obtained for the entertainment of the staff temporarilly till the reorganization of the Health Section sanctioned recently is completed.

Due provision is made in the Budget estimate for 56-57 under D1A

Yours faithfully,

(A. Viswanath)
Municipal Commissioner

Forwarded with compliments

(A Krishnamurthy Rao)
President
